Lori

Straight To The Top

Lorie is a member of an all-girl R&B band based out of Detroit. She's got the chops, the moves and the looks to make it big in the music world. She's also got the most important thing—the desire to do whatever it takes. While the other girls in the group treat their careers as hobbies and are happy with playing at small clubs, Lori wants more and knows that talent can only get you so far in your ambitions. Today's the day she's meeting with a famous record producer who's auditioning our star for a new solo project. Does she have what it takes?

Nobody ever questioned whether
this caramel colored beauty could
take a picture.

Though Alana might have been nervous at first, she was so receptive, that it didn't take long for her to get into it about everything but the taste of her friend's

While the rest of the group is out shopping, Lori is getting ready to show off her best assets as a performer.

The producer needs to know if his investment will pan out. So far he's getting more than his money's worth.

He's loving the sounds that are coming out of this songbird's mouth as she cums all over his cock.

Not to mention her killer moves.

Havana

***Ebony Goddess
Gone Bad***

Havana tried to be a good wife, she really did, but like many trophy wives, the constant attention this beauty received took its toll and before you know it, she gave in to the temptation of an attentive suitor. Her very rich husband was away on a business trip and loneliness turned into lust and desire. It's an all too familiar story and luck for you' we've got the pics.

It takes a lot of hard work to maintain a body like this and Havana is no exception. She gives most of the credit to her new trainer Phil, who has tirelessly worked with Havana, while her husband is out making money. Lately he's been showing her a lot of extra attention as he can sense that she's feeling a little unfulfilled and he figures he's the right man to fill her up.

Phil has been moving her training sessions outside the gym and into her home. Lately he's been teasing that sex is a great workout and fun to do, but with no husband in sight, he graciously offers to fill in. She's hesitant at first, but overcome by lust, she decides to listen to her trainer. After all, he hasn't steered her wrong yet.

Vigorous blow job=150 calories burnt.

He's also convinced her that anal sex will give her that toned look that all women want. She's gone this far, she figures so why not?

Vigorous sex=450 calories burnt.

Last but not least, Phil preaches the
importance of proper nutrition.
Do you want to help her work out?

He was staring right at me and his wife, standing just ten feet away, his huge, black cock in his hand. Stroking and staring, as his wife dug her dragon nails into my bare ass and sucked hard on my bare cock. It was fucking crazy, me getting a blowjob off the big-titted ebony babe while her hulking husband watched and jerked.

I'd met the pair at the park – Tyrese and his wife, Tawnya. They'd been throwing a Frisbee back and forth, Tawnya looking smoking hot under the blazing sun in a pair of tight, white shorts and a purple tube-top, enough bling to sink a pirate ship.

They noticed me staring and asked if I wanted to play. "Hell, yes!" I responded, playing my eyes over Tawnya's gleaming, coal-black curves yet again.

As the Frisbee went back and forth in the triangle, I kept right on checking out the Nubian princezz's fine mounded booty and heaping big mambas, and she stared back at me, suggestively washing her thick, black lips with her thick, pink tongue, her husband not seeming to mind one bit.

It all became clearer, and even more dangerous, when they invited me back to their apartment for a drink. No sooner had the door closed, than Tawnya pulled me into their bedroom and pulled out my hard-on, engulfing the throbbing erection in her hot, wet, pink mouth, heating me up even more than in the park.

Tyrese pulled out his nightstick, but he didn't club his wanton wife over the

BANG HER BLACK ASS

head, or beat the shit out of me with his dong, thank God. Instead, he beat off, watching Tawnya suck on my cock. I nervously eyed the chocolate thunder at first, but then focused on his kneeling, sucking beeyatch, because that's where the real action was.

"Fuck!" I groaned, Tawnya taking me right down to the fuzzy, blonde roots and then back up again, deep-throating

me quick and easy and breathtaking.

I dug my fingers into her shiny, straightened black hair and watched her wet-vac my prong, my arms and legs shaking. I forgot all about man-mountain Tyrese and his monster cock, as Tawnya pulled my spit-slathered dick out of her mouth and swirled that brilliant pink tongue of hers all around the bloated hood, up and down the swollen shaft, before swallowing me up again and pushing her head back and forth in a frenzy, consuming my prick, clutching and squeezing my balls.

"Fuck her up the ass!" Tyrese suddenly growled. "She likes it up the ass!"

The load I'd been about to blow in the babe's mouth settled back down into my balls, as I turned to look at her husband, see if he was for real. He nodded, repeated, "Fuck my wife up the ass!" stroking his licorice stick hard and sure.

Tawnya jumped to her feet and spun around and gripped the brass railing on their marital bed. She bent over at the waist, sticking her huge butt out at me and my dripping cock.

"Fuck my booty!" she hissed, shuddering her cheeks like a 'ho in a rap video. "Stick that big, white cock of yours in my big, black ass!"

Tyrese tossed a tube of lube at me and I greased my throbbler, his wife's crack and butthole, hardly believing it was all really happening. Tawnya quivered with excitement, junk shaking in her overstuffed trunk.

I gripped her waist with one hand and my cock with the other, and steered my shooter in between her enormous butt cheeks and up against her puckered bumhole. She instantly pushed back, popping my cap into her ass, sinking half my shaft into her dirtbox. I gripped her waist with both hands and plunged the other half home.

"Yeah!" she and her husband groaned. I pulled back, pushed in again, pumping the bitch's gripping chute, watching her ass lips suck on my pulsating pole. Nice and easy, until she rammed her rear end up against my thighs, urging me to pick up the pace, and I started slamming her bung.

The bedroom echoed with the fat, wet smack of my clenched thighs against Tawnya's shivering seat cushions, my cock pistoning her chute. I plugged her ass like a madman, the bootilicious babe oven-hot, burning me right down to the sexual core, as Tyrese increased the

torque on his own dong to keep pace, his hand a blur.

Sweat streamed off my face and splashed down onto Tawnya's rippling bottom. I split the slut in two with my jackhammer, pounding her bung, until the vise-like pressure became too much, the whole crazy situation too intense.

"Fuck it, I'm coming!" I hollered, jolted by brutal orgasm. My dynamiting cock exploded in the groaning girl's ass and I sprayed hot semen up against her bowels.

I popped off six or seven times, pumping Tawnya's packed ass full of jizz, then I staggered backwards and popped out, and Tyrese instantly filled the gaping gap, shoving his schlong into his wife's funky-up booty and coming on contact, Tawnya buffing her clit with her blinged fingers and screaming out her own ecstasy.

I haven't heard from the open couple since, but I'm keeping my balls crossed.

KITCHEN HELP

"Okay, boys, that's a wrap!"

There were three of them left in the steamy kitchen – Duane, Julio, and Evan. Good-looking guys who worked well under the pressure of the dinner-time rush. And after rubbing up against them, watching them work and sweat all night, the sexual pressure inside me had reached the boiling point.

I clutched Duane's hard-mounded ass and squeezed. The muscular black sous chef grunted with surprise and stared at me. I slid my other hand up under his apron and onto the crotch of his jeans, squeezing there, too. I felt something stir.

The quarters are always close in a restaurant kitchen, the humid air thick with tension, and maybe I was crossing a line – the boss-lady coming onto her hired help so boldly and blatantly – but I didn't care. My thinking is I own the place, and rent the staff.

I tore Duane's apron off and unzipped his jeans, pulled his licorice semi-erection out into the open as I hit the floor with my knees. The guy was built big all over. His cock jumped to the touch of my warm, stroking hand, rising and sizing in my palm.

When the throbbing snake was stretched out full-length to my rubbing tune, I engulfed its hood with my lips, started tugging, popping the meaty cap in and out of my hot, wet mouth. Duane groaned and jerked, staring down at his boss, consuming his cock. The other two guys just stood at their stations and gaped.

I'm a mother and I like to fuck, the time I put in at the gym keeping my body trim and tight, serving to whet my insatiable

appetite for sex. And no one was going to stop me now, as I opened my mouth up wide to accommodate Duane's massive black rod. I took him down to the balls, deep into my throat.

He jerked again, his eyes gone wide and unbelieving. I pulled back, letting some glistening shaft glide out of my mouth, then I started really moving my head, sucking vigorously on Duane's dong, my cheeks billowing and dyed-red

hair flying, mouth and throat filling and unfilling. The guy clawed at my hair, groaning and pumping.

I hungrily consumed all nine inches of his pulsating ebony beefstick over and over, before pulling all the way back and letting him dangle, twitch in the wind of my breath. "Well, guys," I said to the others, "you want in on the action, or what?"

My performance had impressed them. They wanted in. All three stood around me with their cocks hanging out. Evan was long and cut and pink, Julio smooth and thick and tan. I sucked on one, the other, the next. I went up and down those delicious slabs of meat, sucking, throating, gulping, spitting. I pulled on one with my hand as I mouthed the balls of another. I stuffed two dripping dicks into my mouth and sucked on them both, stroking the third.

"Fuck me!" I finally gasped, when I'd had just a little of my fill.

Three sets of eager hands pulled off my dress and bra and panties, exposing my tanned, tit-heavy body. Pots and pans clattered to the floor, as the boys made room on the island counter in the middle of the kitchen. I climbed aboard, on top of Duane, already laid out. He speared his nightstick into my pussy, Evan climbing up and crouching in behind, shoving his buttered-up cap against my browneye. Julio stood alongside on an overturned crate, feeding prick into my open mouth.

I sucked on Julio's cock, the small-statured, large-dicked Latino clutching my hair and pumping his hips, fucking my mouth, as Evan plowed full-length into my anus, filling the last of my sex-holes. The tall, thin prep cook fired up my cheeks with a couple of hard smacks, before plunging back and forth in my dirtbox, matching the pace and ferocity of Duane, churning my cunt.

I shuddered with sheer delight, swollen with meat, getting reamed. I blazed with the wild sensations of three cocks stretching and thrusting and fucking me.

Duane crushed my tits in his hands and pounded up into my pussy. Evan bit his fingernails into my hips and poured cock down my chute. Julio tore at my hair, slamming dick deep into my mouth and throat, balls bouncing off my chin.

The kitchen went from hot to stifling, dripping with sweat like my brutalized body. The boys grunted and groaned with abandon, savagely hammering away at my hot, tight holes. I wanted it all and I got it, getting furiously fucked over, until orgasm suddenly rippled through my ravaged pussy and ass, ripped through the rest of me. I bit into Julio's cock, shaking on the ends of the other two pricks, cumming again and again.

Duane growled and blasted into my tunnel, Evan yelling and bucking and splashing my bowels. Julio danced up and down, shooting in my mouth and straight down my throat.

I wallowed in it, was wasted by it.

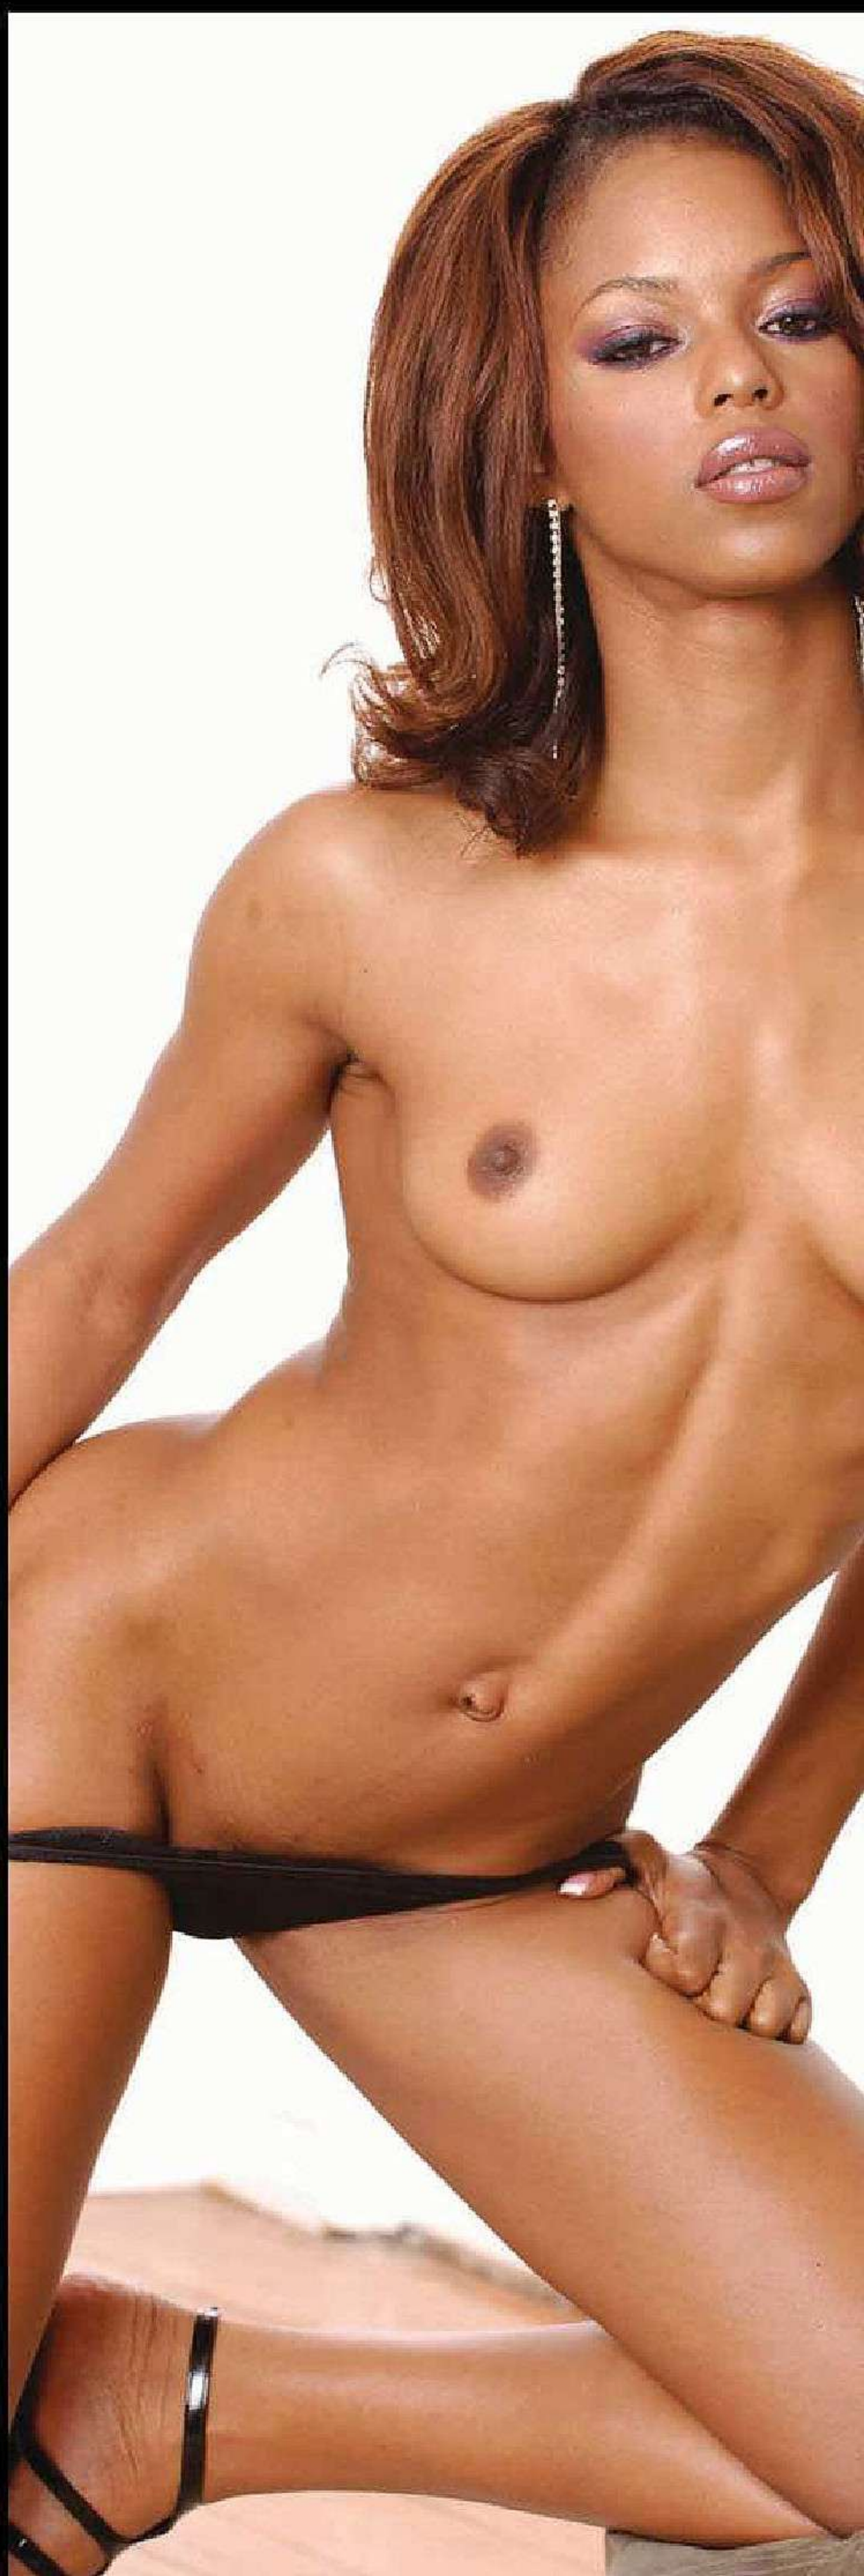

The boys in the kitchen whipped up a real special that night – bitch-in-heat, served up on a platter.

Memories Of My Ex-Wife

It happens all the time. High school sweethearts decide they're meant for each other and want to spend the rest of their lives with each other. But then life gets in the way and you find yourselves drifting apart. Soon, you start to look around and curiosity gets the best of you and you want more. That's what happened to my and my ex. She got bored and took up with someone new and all I'm left with are my memories. Oh, and these pictures.

I was her first lover and she seemed happy with our sex life, or so I thought. We fucked like rabbits during the first few years and I felt like the luckiest guy alive, just look at her. It didn't last and I started noticing the way looked at other guys.

She always loved sucking cock and I loved giving it to her. Now someone else is enjoying her talents.

She had the sweetest
pussy and would cum so
hard on my cock. I wonder
what she's doing now.

The thing she loved most was doggy style and getting slammed hard. She would scream in delight.

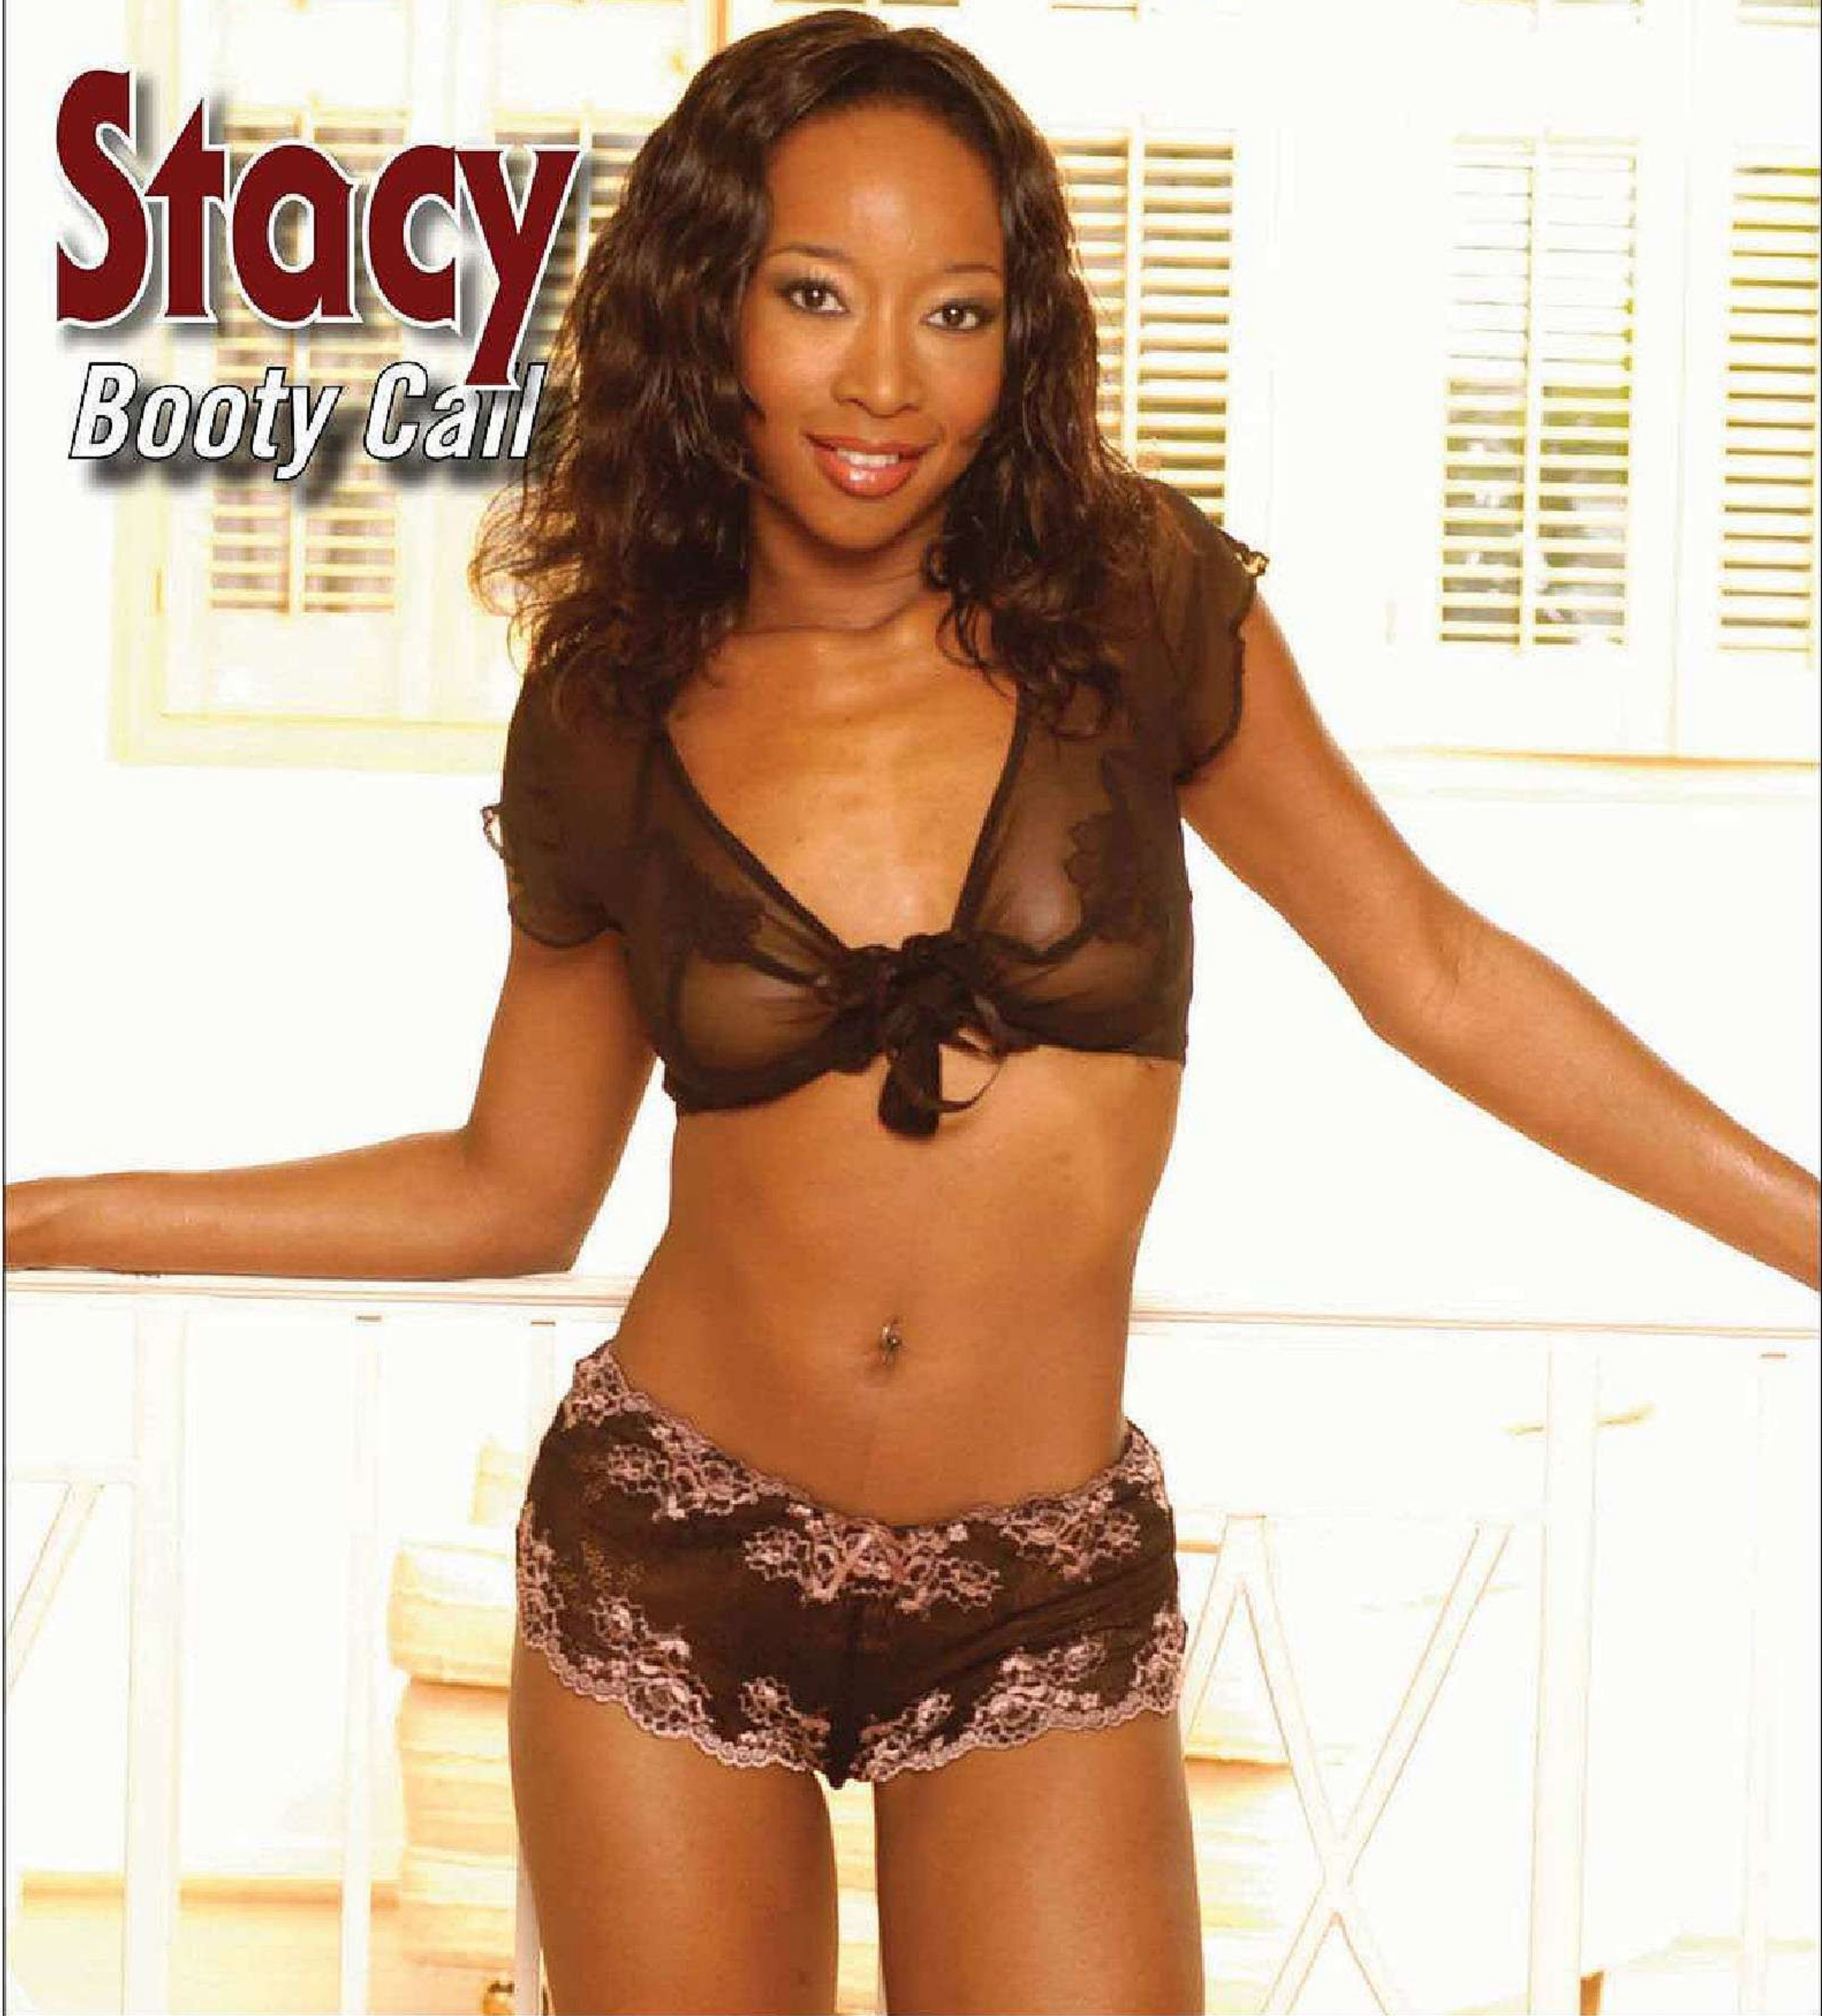

If you see her tell her I miss her cum-
drenched face. Can you satisfy her?

Stacy

Booty Call

Stacy is a hard working and ambitious career woman who really wants to make a name for herself in real estate. She's a top earner for her firm but her goals do come at a cost. Long hours mean no time left for a social life. She doesn't really mind putting relationships on hold as she's a woman with a plan and watching her bank account grow really gets her off. Still, a girl's got needs and for those occasions that Stacy needs to be thoroughly fucked, it's nice to know she can count on her office assistant. I think I hear him knocking now.

No time for hellos or small talk. She wants cock and she wants it now. We did say she was goal oriented.

She loves being on top like this. In fact, the only feeling that rivals the one in her pussy is the one she gets from making a sale.

All business, Stacy prepares for her first of many releases. God, she needed that.

Her fuck friend is always at the ready and you would be too for something this tight and sweet. The best part? No strings attached.

The cum on her lips suggests that this session is over and she got what she needed. Will you be able to give her what she needs?

Panther *Jailhouse Roxxx*

Panther loved her job at the local prison. Bossing around tough guys really got her juices flowing and teasing horny inmates with her voluptuous body was an amazing turn on. She never had any trouble getting them to do her bidding because of the special rewards she offered in exchange for good behavior. Once in a while she would, in conjunction with the warden who she was fucking, arrange day passes for the men who were extra good. Then she would take them home and let them do very naughty things to her curvy body. They were, to say the least, very grateful.

She'd start by giving them e a good tongue bath since the showers in the prison left much to be desired.

Once they were clean, she would open up her pussy to the lucky prisoner.

This particular inmate hasn't felt a tight, little pussy in over a year. He's going to make the best of his time.

For a lucky few' who've
earned extra privileges, Pan-
ther gives up her poop chute.

Do you like being
told what to do?

Roxie

Money Talks

You can say Roxxie's a material girl—she loves the finer things in life and knows just how to get them. She doesn't like to work but that never stops her from getting the things she wants. You see, with a booty like this, men are always willing to trade cash, jewelry or anything else in exchange for a taste. Roxxie doesn't see anything wrong with this arrangement because she loves to fuck just as much as she loves to live in the lap of luxury.

Roxxie's getting ready to receive her latest sugar daddy, a married man who ain't getting what he wants from his wife.

A couple of licks and Roxxie's
earned a fancy dinner.

Her sweet pussy's worth some nice gems.

She's gotta do some work if she expects that trip to the Carribean.

Her man loves this position, so much so, that he might just spring for that new car she's got her eyes on.

A photograph of a man and a woman in a cockpit. The man, who is shirtless and has several tattoos including 'Feel', 'My Love', and 'Love It', is giving the woman a facial. The woman is reclined in a red seat, looking up at him. In the background, a yellow biplane model is visible on a shelf against a purple wall.

All she needs is his signature and here it
is in the form of a messy facial. Are you
feeling generous?
